

## House Speaker Leads Groundbreaking of OFW Hospital and Diagnostic Center

Former President and now House Speaker Gloria Macapagal-Arroyo led the groundbreaking ceremony of the OFW Hospital and Diagnostic Center at the Pampanga Provincial Engineering Office (PEO) compound as one of the highlights of the 2019 Labor Day celebration.

The OFW Hospital and Diagnostic Center will cater to the medical needs of overseas Filipino workers and their families.

House Speaker Macapagal-Arroyo said that the lot worth PHP500 million was donated by the provincial government of Pampanga for the construction of the hospital.

“The construction costs will be shouldered by Bloomberg Cultural Foundation Incorporated (BCFI) which is led by Enrique Anselmo Klar Razon Jr. while the Philippine Amusement and Gaming Corporation (PAGCOR) will be donating P200 million worth of hospital equipment to the facility”, House Speaker Macapagal-Arroyo said.

Secretary Silvestre H. Bello III, Pampanga Governor Lilia Pineda, Department of Health Secretary Francisco Duque III, PAGCOR CEO Andrea Domingo, and Mr.

Donato Almeda and Mr. Michael Ray Aquino of Bloomberg also led the groundbreaking ceremony.
